

ChiArts Scope & Sequence 2017-2018

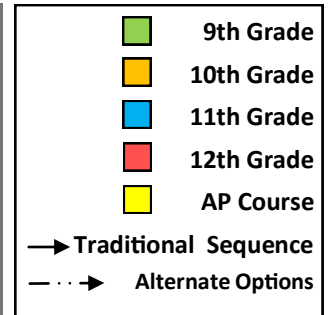

Graduation Requirements - 28 Total Recommended/24 Total Minimum

4 Credits—English	4 Credits—Mathematics	4Credits—Social Science
4 Credits—Science	4 Credits—Fine Arts	3 Credits—World Languages*
2 Credits—Physical Education	2 Credits— Electives**	1 Credit—Computer Science

*2 credits must be from the same World Language

**Can be from Integrated Arts or additional credits in World Language or core subject areas

Please note that all course offerings are subject to change based on enrollment numbers.

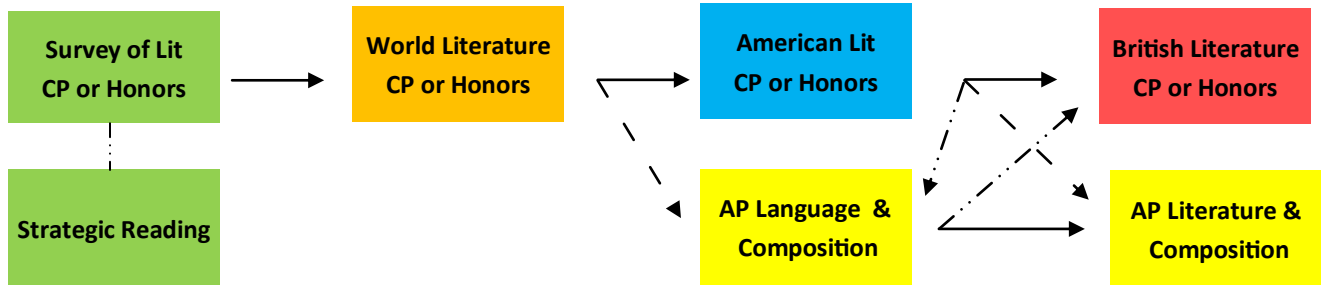

Honors Course Eligibility: B or better in the previous semester course in that subject area & teacher recommendation.

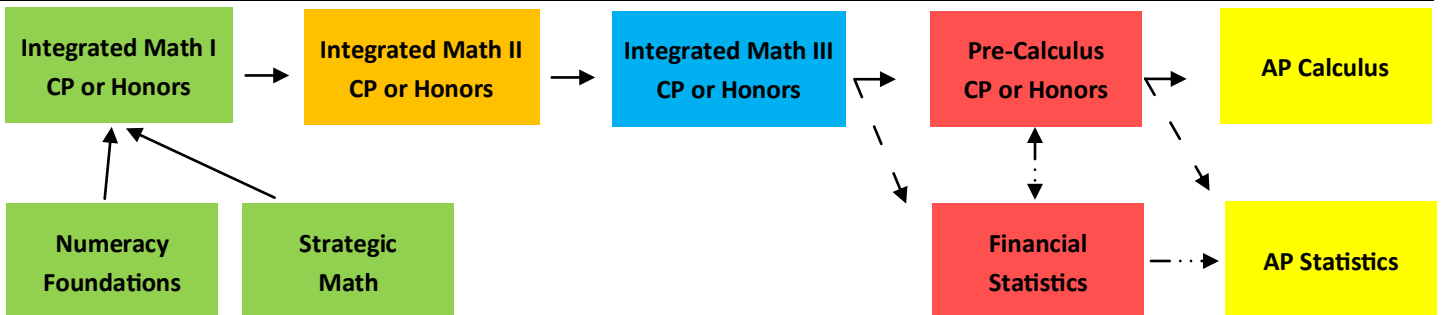

For science course eligibility, please see the science section.

If you are currently in an honors class and do not maintain a B for the semester, you will not be allowed to request the honors level of that subject for the next year.

English

Math

Science
