

VOLUNTEER INTEREST & PARENT PLEDGE FORM 2018-19 SCHOOL YEAR

September 13, 2018

Dear ChiArts Parents & Guardians,

As you know, The Chicago High School for the Arts is a donation-dependent public school where students **receive nearly 600 hours of tuition-free arts training every year.** As part of the Parent Support Organization's initiative **"Your Gift, Your Way,"** we are asking for **every family** to support the school in some form, whether by **donating their time** or **making a gift.** More than ever, we need the support of every family to continue "creating a stronger ChiArts."

The average amount we need to fundraise to supplement each child's education is \$7,500 per child*. We thank you for considering making a gift today.

Our goal is that 100% of families participate in "Your Gift, Your Way." With your help, ChiArts can continue to maintain a high level of academic and arts instruction for each one of our scholar-artists.

With gratitude,

José Ochoa
Executive and Artistic Director

Mike Wang
Principal
