

# ChiArts Scope & Sequence 2019-2020

## Graduation Requirements - 28 Total Recommended/24 Total Minimum

4 Credits—English	4/3 Credits—Mathematics	4/3 Credits—Social Science
4/3 Credits—Science	4/2 Credits—Fine Arts	3/2 Credits—World Languages*
2 Credits—Physical Education	2 Credits—Career Education**	1 Credit—Computer Science
2 Credits—Electives**		

\*2 credits must be from the same World Language

\*\*Can be from Integrated Arts or additional credits in World Language or core subject areas

The ChiArts academic curriculum offers **College Prep (CP)**, **Honors (H)** & **Advanced Placement (AP)** courses.

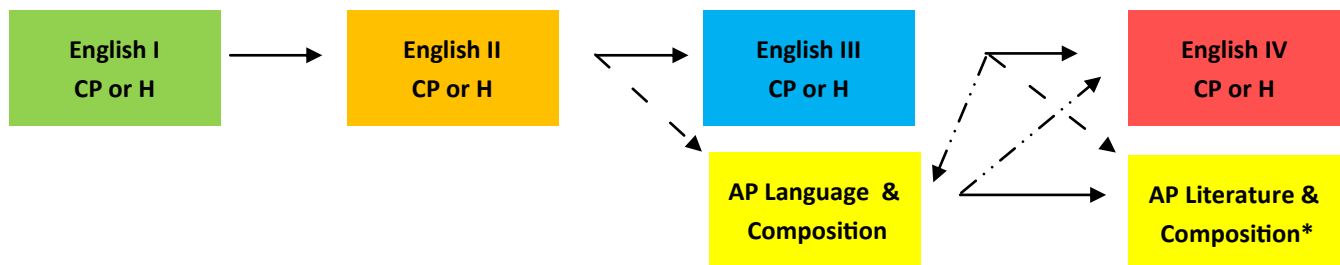

**Honors Course Eligibility:** C- or better in the previous semester course in that subject area. For science course eligibility, please see the science section for additional requirements.

**AP Course Eligibility:** B- or better in the previous semester course in that subject area.

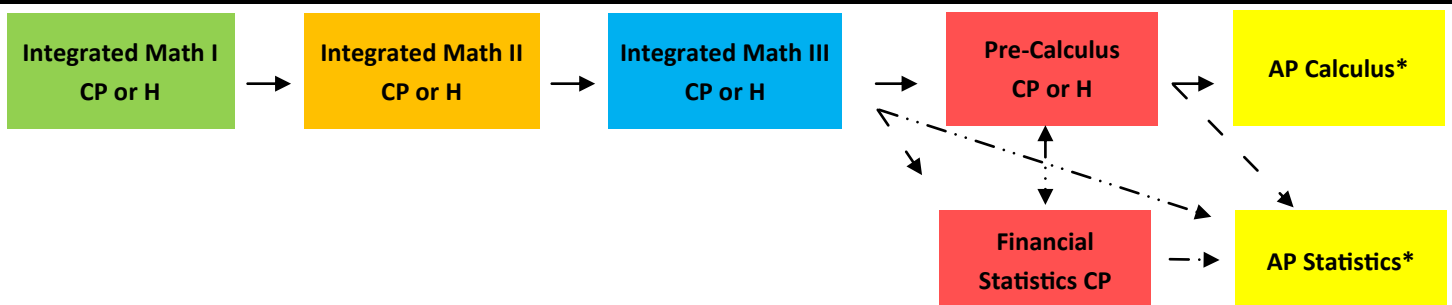

Students who earn a D or F in an honors course may not be recommended for honors in that subject area the next school year.

All courses are subject to change based on enrollment and staffing.

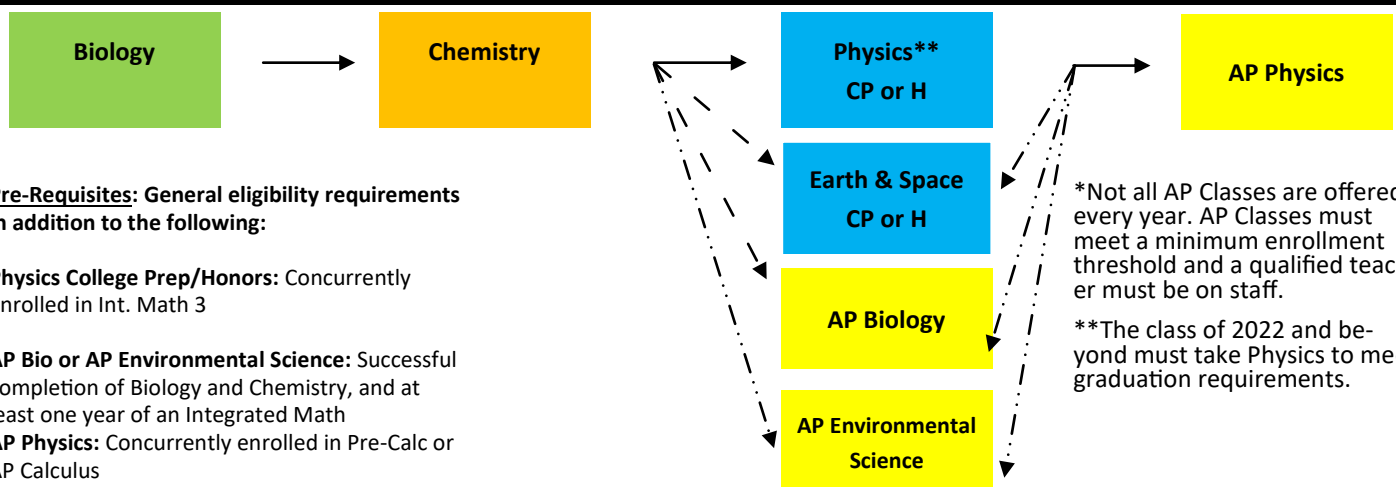

## English

## Math

## Science

**Pre-Requisites:** General eligibility requirements in addition to the following:

**Physics College Prep/Honors:** Concurrently enrolled in Int. Math 3

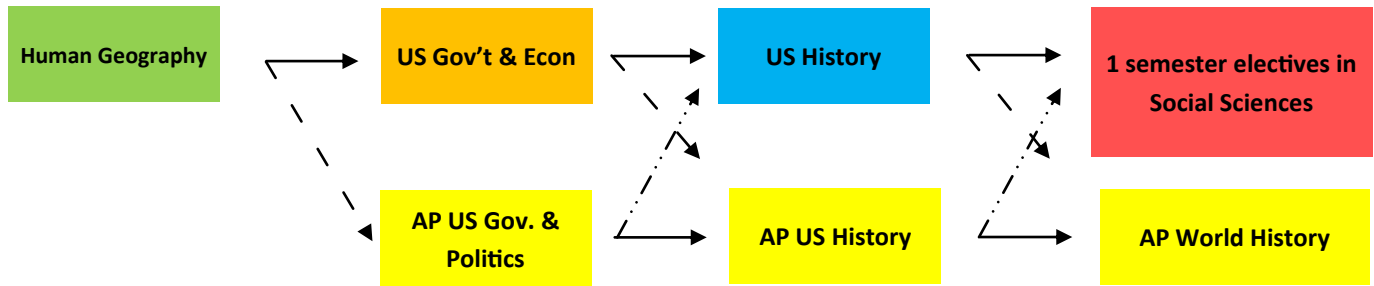

**AP Bio or AP Environmental Science:** Successful completion of Biology and Chemistry, and at least one year of an Integrated Math

**AP Physics:** Concurrently enrolled in Pre-Calc or AP Calculus

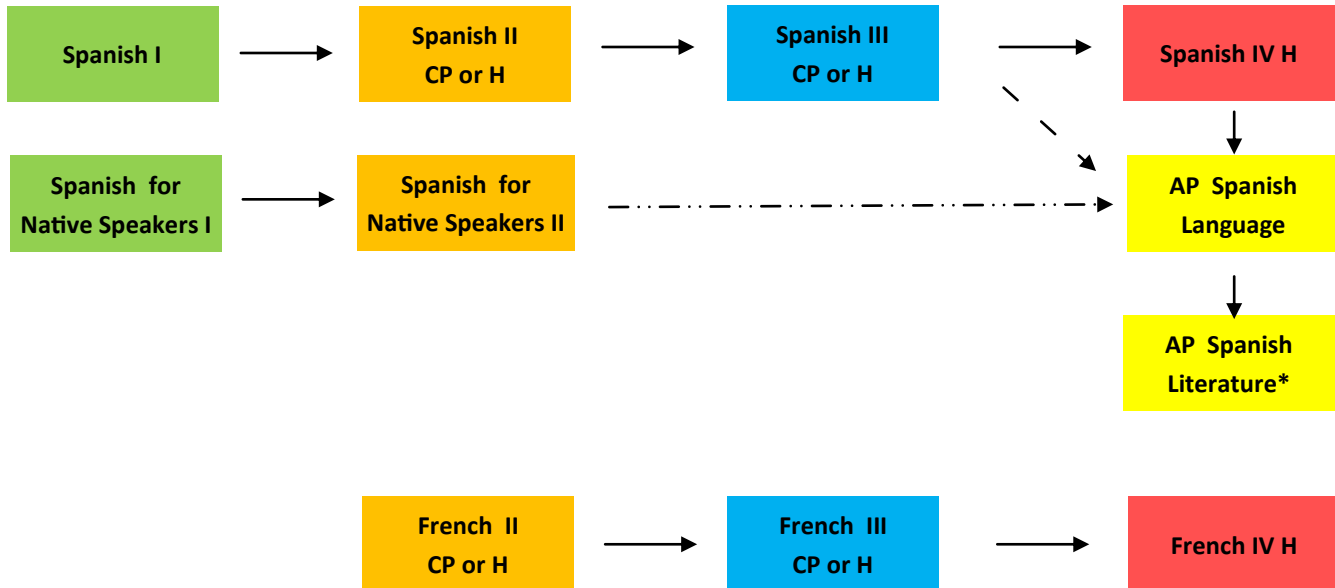

\*Not all AP Classes are offered every year. AP Classes must meet a minimum enrollment threshold and a qualified teacher must be on staff.

\*\*The class of 2022 and beyond must take Physics to meet graduation requirements.

## Social Science
