

OFFICIAL SCHOOL POLICY AND PROCEDURE UPDATES

Attendance Days and Grading

According to the Illinois State Board of Education (ISBE) all of the days of this initial closure, March 17-30, 2020 will be considered Act of God Days and will not be made up. ISBE is encouraging all school districts to provide learning opportunities to students. However, student work during this time should not be graded due to these days not being instructional days.

ChiArts will continue to support students with enrichment learning opportunities while we are closed. Students may access these enrichment activities through Google Classroom. Today, there were also hard copies provided to students.

The ChiArts Building

All CPS schools will be closed for deep cleaning and students and teachers will not be permitted in the building.

3rd Quarter Report Cards

If you did not pick up your student's report card, it will be mailed upon our return to school. All grades are updated on PowerSchool.

Performances

Currently, all performances, events, trips, and competitions are suspended until further notice.

Breakfast and Lunch

ChiArts is not a food site for students. However, students may pick-up 3 days worth of food at their neighborhood CPS school outside of the building from 9:00am to 1:00pm during the school closure.

All staff will be available to students and parents via email. Thank you for your support, understanding, and patience. Please stay safe and healthy during this school closure.

Sincerely,

Ms. Milsap, Principal

Ms. Cullen, Assistant Principal
