## Core Values:

We reflect, create, connect, and express:

**Creativity**—We pursue artistic and intellectual inquiry through active use of imagination, and we take risks towards passionate innovation.

**Community**—We support personal growth, respect diversity, and foster citizens who positively affect the intellectual and artistic life of Chicago and give back to the community through service.

**Integrity**—We hold ourselves and each other to high academic and artistic standards through honesty, sincerity, and accountability.

**Humility**—We allow our artistic and intellectual talents to speak for themselves, acknowledge our history, and are open to constructive criticism, realizing our finest achievements could not happen without the contributions of others.

**Balance**—We strive to lead well-rounded lives; we are reflective, and we manage our energies in ways that are productive, healthy, and foster connection with others.

**Perseverance**—We demonstrate courage through self-discipline and dedication as we embrace a willingness to move through obstacles with resilience.
